

Professional Development Stipend Allocation	Revision Date:	08/13/2012
	Date Created:	06/28/2012
	Page Number:	1 of 1

PGY-2 = \$1,250

Distribution: July \$500 (automatic)
December \$375
June \$375

PGY-3 = \$750

Distribution: December \$375
June \$375

PGY4 = \$750

Distribution: December \$750

There are 4 metrics which will be evaluated to determine the amount allocated every 6 months. The number of metrics met will determine the percentage of the funds provided.

4 of 4 metrics met = 100% allocated (\$375 semiannually, \$750 for final distribution)

3 of 4 metrics met = 80% allocated (\$300 semiannually, \$600 for final distribution)

2 of 4 metrics met = 60% allocated (\$225 semiannually, \$450 for final distribution)

1 of 4 metrics met = 40% allocated (\$150 semiannually, \$300 for final distribution)

0 of 4 metrics met = 0% allocated (\$0 semiannually, \$0 for final distribution)

Metrics:

Duty Hour Reporting: Expectation is a minimum of **90%** weeks logged **within 1 week** (excludes current and previous week from when report is generated).

MedHub Evaluations: Expectation is **100%** of MedHub evaluations completed **within 2 weeks** (excludes those released less than 2 weeks from when report is generated).

Med Student Evaluations: Expectation is **90%** of medical student evaluations will be completed **within 1 week** of the end of the rotation. (excludes those released less than 1 week from when the report was generated)

Conference Attendance: Expectation is 70% or higher.
