Policies, Guidelines and SOPs by Species

#No Species
#Mice
#Rats
#Guinea Pigs
#Hamsters
#Other Rodents
#Rabbits
#Cats
#Dogs
#Ferrets
#Cows
#Swine
#Sheep
#Primates
#Fish, Amphibians and Reptiles
#Chickens/Avian Species

No Species

Guidelines on Fire Prevention
Guidelines on the Preparation, Storage and Expiration of Injectable Medications

Back to Index

Mice

Animal Care Identification and Communication Procedures
Animal Fasting Communication
Identifying Single Housed Animals SOP
Environmental Enrichment for Animals SOP
Approved Mouse Enrichment Items
Guidelines on Medical Records for Investigative Personnel
Guidelines on Blood Collection
End-Stage Illness Scoring System
Guidelines on Experimental Food or Water Restriction or Manipulation in Laboratory Animals
Guidelines on Administration of Substances to Laboratory Animals
Anesthesia and Analgesia Drug Descriptions
Anesthesia and Sedation Monitoring Guidelines
Procedures for Animal Transportation

Rodent Husbandry SOP
Guidelines for Documenting Scientific Justification for Exceeding Cage Densities
Guidelines on Mouse and Rat Breeding and Housing Management
Guidelines on the Performance of Surgery in Rodents
Guidelines for Rats and Mice Euthanasia Procedures for Investigative Personnel
Policy for Rodent Euthanasia by the Veterinary Staff
Guidelines and SOP on Tumor Monitoring
Guidelines for Acceptable Methods of Identification and Genotyping of Rodents and Zebrafish
Guidelines on Use of Streptozotocin in Rodents
Guidelines on Adjuvant Use in Rabbits, Rats, and Mice
Animals Administered a Hazardous Substance Requiring Containment
Guidelines on Anesthesia and Analgesia in Mice
Guidelines on Treatment of Ulcerative Dermatitis
Standard Operating Procedures for Laboratory Assumption of the Feeding and, or Watering of Rodents

Back to Index
Back to ULAM home page
Rats

Animals Administered a Hazardous Substance Requiring Containment
Animal Care Identification and Communication Procedures
Animal Fasting Communication
Identifying Single Housed Animals SOP
Environmental Enrichment for Animals SOP
Approved Rat Enrichment Items
Guidelines on Medical Records for Investigative Personnel
Guidelines on Blood Collection
End-Stage Illness Scoring System
Guidelines on Experimental Food or Water Restriction or Manipulation in Laboratory Animals
Guidelines on Administration of Substances to Laboratory Animals
Anesthesia and Analgesia Drug Descriptions
Anesthesia and Sedation Monitoring Guidelines
Procedures for Animal Transportation

Rodent Husbandry SOP
Guidelines for Documenting Scientific Justification for Exceeding Cage Densities
Guidelines on Mouse and Rat Breeding and Housing Management
Guidelines on the Performance of Surgery in Rodents
Guidelines for Rats and Mice Euthanasia Procedures for Investigative Personnel
Policy for Rodent Euthanasia by the Veterinary Staff
Guidelines and SOP on Tumor Monitoring
Guidelines for Acceptable Methods of Identification and Genotyping of Rodents and Zebrafish
Guidelines on Use of Streptozotocin in Rodents
Guidelines on Adjuvant Use in Rabbits Rats and Mice
Guidelines on Anesthesia and Analgesia in Rats
Standard Operating Procedures for Laboratory Assumption of the Feeding and, or Watering of Rodents

Back to ULAM home page

Guinea Pigs

Animals Administered a Hazardous Substance Requiring Containment
Animal Fasting Communication
Identifying Single Housed Animals SOP
Environmental Enrichment for Animals SOP
Approved Guinea Pig Enrichment Items
Guidelines on Medical Records for Investigative Personnel
Guidelines on Blood Collection
End-Stage Illness Scoring System
Guidelines on Experimental Food or Water Restriction or Manipulation in Laboratory Animals
Guidelines on Administration of Substances to Laboratory Animals
Anesthesia and Analgesia Drug Descriptions
Anesthesia and Sedation Monitoring Guidelines
Procedures for Animal Transportation

Guidelines on the Performance of Surgery in Rodents
Guidelines on Anesthesia and Analgesia in Guinea Pigs

Back to Index
Back to ULAM home page

Hamsters

Animals Administered a Hazardous Substance Requiring Containment
Animal Fasting Communication
Identifying Single Housed Animals SOP
Environmental Enrichment for Animals SOP
Approved Hamster Enrichment Items
Guidelines on Medical Records for Investigative Personnel
Guidelines on Blood Collection
End-Stage Illness Scoring System
Guidelines on Experimental Food or Water Restriction or Manipulation in Laboratory Animals
Guidelines on Administration of Substances to Laboratory Animals
Anesthesia and Analgesia Drug Descriptions
Anesthesia and Sedation Monitoring Guidelines

Procedures for Animal Transportation
Guidelines on the Performance of Surgery in Rodents
Guidelines on Anesthesia and Analgesia in Hamsters

Other Rodents

Animals Administered a Hazardous Substance Requiring Containment
Animal Care Identification and Communication Procedures
Animal Fasting Communication
Identifying Single Housed Animals SOP
Environmental Enrichment for Animals SOP
Approved Gerbil Enrichment Items
Guidelines on Medical Records for Investigative Personnel
Guidelines on Blood Collection
End-Stage Illness Scoring System
Guidelines on Experimental Food or Water Restriction or Manipulation in Laboratory Animals
Guidelines on Administration of Substances to Laboratory Animals
Anesthesia and Analgesia Drug Descriptions
Anesthesia and Sedation Monitoring Guidelines
Procedures for Animal Transportation

Rodent Husbandry SOP
Guidelines on the Performance of Surgery in Rodents

Rabbits

Animals Administered a Hazardous Substance Requiring Containment
Animal Fasting Communication
Identifying Single Housed Animals SOP
Environmental Enrichment for Animals SOP
Approved Rabbit Enrichment Items
Guidelines on Medical Records for Investigative Personnel
Guidelines on Blood Collection
End-Stage Illness Scoring System
Guidelines on Experimental Food or Water Restriction or Manipulation in Laboratory Animals
Guidelines on Administration of Substances to Laboratory Animals
Anesthesia and Analgesia Drug Descriptions
Anesthesia and Sedation Monitoring Guidelines
Procedures for Animal Transportation

Guidelines on the Performance of Surgery in Non-Rodent Mammals
Guidelines on Adjuvant Use in Rabbits Rats and Mice
Guidelines on Anesthesia and Analgesia in Rabbits

Cats

Animals Administered a Hazardous Substance Requiring Containment
Animal Fasting Communication
Identifying Single Housed Animals SOP
Environmental Enrichment for Animals SOP
Approved Cat Enrichment Items
Guidelines on Medical Records for Investigative Personnel
Guidelines on Blood Collection
End-Stage Illness Scoring System
Guidelines on Experimental Food or Water Restriction or Manipulation in Laboratory Animals
Guidelines on Administration of Substances to Laboratory Animals
Anesthesia and Analgesia Drug Descriptions
Anesthesia and Sedation Monitoring Guidelines
Dogs

Animals Administered a Hazardous Substance Requiring Containment
Animal Fasting Communication
Identifying Single Housed Animals SOP
Environmental Enrichment for Animals SOP
Approved Dog Enrichment Items
Guidelines on Medical Records for Investigative Personnel
Guidelines on Blood Collection
End-Stage Illness Scoring System
Guidelines on Experimental Food or Water Restriction or Manipulation in Laboratory Animals
Guidelines on Administration of Substances to Laboratory Animals
Anesthesia and Analgesia Drug Descriptions
Anesthesia and Sedation Monitoring Guidelines
Procedures for Animal Transportation

Guidelines on the Performance of Surgery in Non-Rodent Mammals
Procedures for Canine Quarantine and Conditioning
Procedures for Dog, Cat or Ferret Bites or Scratches
Guidelines on Anesthesia and Analgesia in Dogs

Ferrets

Animals Administered a Hazardous Substance Requiring Containment
Animal Fasting Communication
Identifying Single Housed Animals SOP
Environmental Enrichment for Animals SOP
Approved Ferret Enrichment Items
Guidelines on Medical Records for Investigative Personnel
Guidelines on Blood Collection
End-Stage Illness Scoring System
Guidelines on Experimental Food or Water Restriction or Manipulation in Laboratory Animals
Guidelines on Administration of Substances to Laboratory Animals
Anesthesia and Analgesia Drug Descriptions
Anesthesia and Sedation Monitoring Guidelines
Procedures for Animal Transportation

Guidelines on the Performance of Surgery in Non-Rodent Mammals
Procedures for Dog, Cat or Ferret Bites or Scratches
Guidelines on Anesthesia and Analgesia in Ferrets

Calves

Animals Administered a Hazardous Substance Requiring Containment
Animal Fasting Communication
Identifying Single Housed Animals SOP
Environmental Enrichment for Animals SOP
Approved Cow Enrichment Items
Guidelines on Medical Records for Investigative Personnel
Guidelines on Blood Collection
End-Stage Illness Scoring System
Guidelines on Experimental Food or Water Restriction or Manipulation in Laboratory Animals
Fish, Amphibians and Reptiles

Animals Administered a Hazardous Substance Requiring Containment
Animal Fasting Communication
Identifying Single Housed Animals SOP
Environmental Enrichment for Animals SOP
Guidelines on Medical Records for Investigative Personnel
Guidelines on Blood Collection
End-Stage Illness Scoring System
Guidelines on Experimental Food or Water Restriction or Manipulation in Laboratory Animals
Guidelines on Administration of Substances to Laboratory Animals
Anesthesia and Analgesia Drug Descriptions
Anesthesia and Sedation Monitoring Guidelines
Procedures for Animal Transportation

Guidelines for the Husbandry of Amphibians and Reptiles
Zebrafish Husbandry SOP
Guidelines on Amphibian Anesthesia Analgesia and Surgery
Guidelines on Reptile Anesthesia Analgesia and Surgery
Guidelines on Fish Anesthesia Analgesia and Surgery

Chickens/Avian Species

Animals Administered a Hazardous Substance Requiring Containment
Animal Fasting Communication
Identifying Single Housed Animals SOP
Environmental Enrichment for Animals SOP
Approved Chicken Enrichment Items
Guidelines on Medical Records for Investigative Personnel
Guidelines on Blood Collection
End-Stage Illness Scoring System
Guidelines on Experimental Food or Water Restriction or Manipulation in Laboratory Animals
Guidelines on Administration of Substances to Laboratory Animals
Anesthesia and Analgesia Drug Descriptions
Anesthesia and Sedation Monitoring Guidelines
Procedures for Animal Transportation
