Mice

Animal Care Identification and Communication Procedures
Animal Fasting Communication
Identifying Single Housed Animals SOP
Environmental Enrichment for Animals SOP
Approved Mouse Enrichment Items
Guidelines on Medical Records for Investigative Personnel
Guidelines on Blood Collection
End-Stage Illness Scoring System
Guidelines on Experimental Food or Water Restriction or Manipulation in Laboratory Animals
Guidelines on Administration of Substances to Laboratory Animals
Anesthesia and Analgesia Drug Descriptions
Anesthesia and Sedation Monitoring Guidelines
Procedures for Animal Transportation

Rodent Husbandry SOP
Guidelines for Documenting Scientific Justification for Exceeding Cage Densities
Guidelines on Mouse and Rat Breeding and Housing Management
Guidelines on the Performance of Surgery in Rodents
Guidelines for Rats and Mice Euthanasia Procedures for Investigative Personnel
Policy for Rodent Euthanasia by the Veterinary Staff
Guidelines and SOP on Tumor Monitoring
Guidelines for Acceptable Methods of Identification and Genotyping of Rodents and Zebrafish
Guidelines on Use of Streptozotocin in Rodents
Guidelines on Adjuvant Use in Rabbits Rats and Mice
Animals Administered a Hazardous Substance Requiring Containment
Guidelines on Anesthesia and Analgesia in Mice
Guidelines on Treatment of Ulcerative Dermatitis
Standard Operating Procedures for Laboratory Assumption of the Feeding and, or Watering of Rodents

Back to ULAM home page

Rats
Other Rodents

Animals Administered a Hazardous Substance Requiring Containment
Animal Care Identification and Communication Procedures
Animal Fasting Communication
Identifying Single Housed Animals SOP
Environmental Enrichment for Animals SOP
Approved Gerbil Enrichment Items
Guidelines on Medical Records for Investigative Personnel
Guidelines on Blood Collection
End-Stage Illness Scoring System
Guidelines on Experimental Food or Water Restriction or Manipulation in Laboratory Animals
Guidelines on Administration of Substances to Laboratory Animals
Anesthesia and Analgesia Drug Descriptions
Anesthesia and Sedation Monitoring Guidelines
Procedures for Animal Transportation

Rodent Husbandry SOP
Guidelines on the Performance of Surgery in Rodents

Rabbits

Animals Administered a Hazardous Substance Requiring Containment
Animal Fasting Communication
Identifying Single Housed Animals SOP
Environmental Enrichment for Animals SOP
Approved Rabbit Enrichment Items
Guidelines on Medical Records for Investigative Personnel
Guidelines on Blood Collection
End-Stage Illness Scoring System
Guidelines on Experimental Food or Water Restriction or Manipulation in Laboratory Animals
Guidelines on Administration of Substances to Laboratory Animals
Anesthesia and Analgesia Drug Descriptions
Anesthesia and Sedation Monitoring Guidelines
Procedures for Animal Transportation

Guidelines on the Performance of Surgery in Non-Rodent Mammals
Guidelines on Adjuvant Use in Rabbits Rats and Mice
Guidelines on Anesthesia and Analgesia in Rabbits

Cats

Animals Administered a Hazardous Substance Requiring Containment
Animal Fasting Communication
Identifying Single Housed Animals SOP
Environmental Enrichment for Animals SOP
Approved Cat Enrichment Items
Guidelines on Medical Records for Investigative Personnel
Guidelines on Blood Collection
End-Stage Illness Scoring System
Guidelines on Experimental Food or Water Restriction or Manipulation in Laboratory Animals
Guidelines on Administration of Substances to Laboratory Animals
Anesthesia and Analgesia Drug Descriptions
Anesthesia and Sedation Monitoring Guidelines
Procedures for Animal Transportation

Guidelines on the Performance of Surgery in Non-Rodent Mammals
Procedures for Feline Quarantine and Conditioning
Procedures for Dog, Cat or Ferret Bites or Scratches
Guidelines on Anesthesia and Analgesia in Cats
Dogs

Animals Administered a Hazardous Substance Requiring Containment
Animal Fasting Communication
Identifying Single Housed Animals SOP
Environmental Enrichment for Animals SOP
Approved Dog Enrichment Items
Guidelines on Medical Records for Investigative Personnel
Guidelines on Blood Collection
End-Stage Illness Scoring System
Guidelines on Experimental Food or Water Restriction or Manipulation in Laboratory Animals
Guidelines on Administration of Substances to Laboratory Animals
Anesthesia and Analgesia Drug Descriptions
Anesthesia and Sedation Monitoring Guidelines
Procedures for Animal Transportation
Guidelines on the Performance of Surgery in Non-Rodent Mammals
Procedures for Canine Quarantine and Conditioning
Procedures for Dog, Cat or Ferret Bites or Scratches
Guidelines on Anesthesia and Analgesia in Dogs

Ferrets

Animals Administered a Hazardous Substance Requiring Containment
Animal Fasting Communication
Identifying Single Housed Animals SOP
Environmental Enrichment for Animals SOP
Approved Ferret Enrichment Items
Guidelines on Medical Records for Investigative Personnel
Guidelines on Blood Collection
End-Stage Illness Scoring System
Guidelines on Experimental Food or Water Restriction or Manipulation in Laboratory Animals
Guidelines on Administration of Substances to Laboratory Animals
Anesthesia and Analgesia Drug Descriptions
Anesthesia and Sedation Monitoring Guidelines
Procedures for Animal Transportation
Guidelines on the Performance of Surgery in Non-Rodent Mammals
Procedures for Dog, Cat or Ferret Bites or Scratches
Guidelines on Anesthesia and Analgesia in Ferrets

Calves

Animals Administered a Hazardous Substance Requiring Containment
Animal Fasting Communication
Identifying Single Housed Animals SOP
Environmental Enrichment for Animals SOP
Approved Cow Enrichment Items
Guidelines on Medical Records for Investigative Personnel
Guidelines on Blood Collection
End-Stage Illness Scoring System
Guidelines on Experimental Food or Water Restriction or Manipulation in Laboratory Animals
Guidelines on Administration of Substances to Laboratory Animals
Anesthesia and Analgesia Drug Descriptions
Anesthesia and Sedation Monitoring Guidelines
Procedures for Animal Transportation
Guidelines on the Performance of Surgery in Non-Rodent Mammals
Guidelines on Anesthesia and Analgesia in Ruminants
**Swine**

Animals Administered a Hazardous Substance Requiring Containment  
Animal Fasting Communication  
Identifying Single Housed Animals SOP  
Environmental Enrichment for Animals SOP  
Approved Swine Enrichment Items  
Guidelines on Medical Records for Investigative Personnel  
Guidelines on Blood Collection  
End-Stage Illness Scoring System  
Guidelines on Experimental Food or Water Restriction or Manipulation in Laboratory Animals  
Guidelines on Administration of Substances to Laboratory Animals  
Anesthesia and Analgesia Drug Descriptions  
Anesthesia and Sedation Monitoring Guidelines  
Procedures for Animal Transportation  
Guidelines on the Performance of Surgery in Non-Rodent Mammals  
Procedures for Swine Quarantine and Conditioning  
Guidelines on Anesthesia and Analgesia in Swine

Back to Index  
Back to ULAM home page

**Sheep**

Animals Administered a Hazardous Substance Requiring Containment  
Animal Fasting Communication  
Identifying Single Housed Animals SOP  
Environmental Enrichment for Animals SOP  
Approved Sheep Enrichment Items  
Guidelines on Medical Records for Investigative Personnel  
Guidelines on Blood Collection  
End-Stage Illness Scoring System  
Guidelines on Experimental Food or Water Restriction or Manipulation in Laboratory Animals  
Guidelines on Administration of Substances to Laboratory Animals  
Anesthesia and Analgesia Drug Descriptions  
Anesthesia and Sedation Monitoring Guidelines  
Procedures for Animal Transportation  
Guidelines on the Performance of Surgery in Non-Rodent Mammals  
Ovine Quarantine and Conditioning  
Guidelines on Anesthesia and Analgesia in Ruminants

Back to Index  
Back to ULAM home page

**Primates**

Animals Administered a Hazardous Substance Requiring Containment  
Animal Fasting Communication  
Identifying Single Housed Animals SOP  
Environmental Enrichment for Animals SOP  
Approved Non-human Primate Enrichment Items  
Environmental Enrichment For Nonhuman Primates  
Guidelines on Medical Records for Investigative Personnel  
Guidelines on Blood Collection  
End-Stage Illness Scoring System  
Guidelines on Experimental Food or Water Restriction or Manipulation in Laboratory Animals  
Guidelines on Administration of Substances to Laboratory Animals  
Anesthesia and Analgesia Drug Descriptions  
Anesthesia and Sedation Monitoring Guidelines  
Procedures for Animal Transportation  
Guidelines on the Performance of Surgery in Non-Rodent Mammals  
Macaque Monkey Bite, Scratch, Exposure Standard Operating Procedures  
Procedures for Nonhuman Primate Quarantine and Conditioning  
Guidelines on Anesthesia and Analgesia in Nonhuman Primates
